PRAYER / PRAISE

For our emergency maintenance campaign.

For our caretaker Erivando who is waiting for urgent surgery to remove a hernia. Pray that he gets to the top of the waiting list quickly.

Thanks

We appreciate your support with our PO Box change.

CBC or Boot Camp?

We got everyone moving on the first day to school! And yes we see you teenagers at the back of class - not quite as enthusiastic as the 4th graders!

There were plenty of star jumps, stretches and team games involved in this PE class, before students took a seat back in the classroom. Consider yourselves awake, after a month of vacation!

Multiplying Results

'He who supplies seed to the sower and bread for food will supply and multiply your seed for sowing and increase the harvest of your righteousness.'

2 Corinthians 9:10

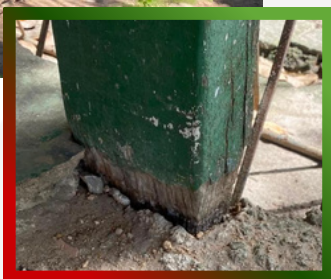

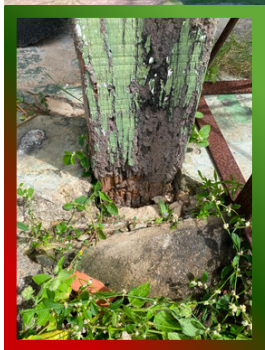

We are sharing with the children about how God can multiply the seed He has planted in them, as they walk righteously with God.

They have built strong relationships in the first semester and now we are encouraging them to reach out to the lost together.

Nutrition and Health

We have previously shared that ongoing nutritional deficits impede the learning and development of children growing up in the slums. A poor diet is one of the many dimensions of poverty that they face. Most of our children do not eat a sufficient quantity of fruits and vegetables. Neither do they consume a wide variety of foods or have an established routine of mealtimes.

CBC plays a valuable role in educating parents and children about the importance of diet for healthy growth. Our teachers are also able to alert parents to health and developmental concerns that would otherwise go unobserved.

Thanks to your support CBC serves 260 daily nutritional meals. Vivien our cook, keeps a keen eye out for children who have a difficult relationship with food or who seem particularly hungry.

\$18,000 to go!

Thank you to everyone who has responded to the emergency maintenance campaign so far. We have raised just over \$12,000 toward our goal of \$30,000.

We really can make these funds go a long way to make repairs, replace broken equipment and keep CBC operating safely for all the staff and children. We would like to reach our goal by the end of September.

Chapel

Congratulations to the three brave teachers who abandoned their desks for a brief acting career at chapel last week. One of these lions learned a big lesson about obedience after wandering off beyond the boundaries of his patch. The children loved it and learned!
